

AUTISM: SPOT THE SIGNS

How your child acts and socializes

Does your child find these difficult?

- coping with change
- meeting new people or making friends
- understanding social cues
- expressing/describing emotions
- loud noises, touch, texture, bright lights

Do you have concerns?

You know your child best!
Even if you aren't sure, you can get them screened.

LOCATION

SCREENING

Early Developmental Screenings

For children under 5

☎: (908) 301-5498

@: anorton@childrens-specialized.org

Free virtual screenings to assess development and identify children who may need further evaluation

Child Evaluation Centers

For children up to 21 years old

nj.gov/health/fhs/specialpediatrics/

☎: (609) 292-5676

What happens during a screening?

You will complete questionnaires about your child. Trained staff will assess and share results with you. If additional evaluations are recommended, the staff will provide more information and assist in linking your family to services.
